

Fill in the gaps

Candles by Daughter

That boy, (1)_____ me away, into the night
Out of the hum of the street lights and into a forest
I'll do whatever you say to me in the dark
Scared I'll be torn apart by a wolf in mask of a familiar name
on a birthday card
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night
Just a young heart confusing my mind, but we're both in
silence
Wide-eyed, both in silence
Wide-eyed, (2)_____ we're in a crime scene
Well I have brittle (3)_____ it seems
I bite my tongue and torch my dreams
Have a little voice to speak with
And a mind of thoughts and secrecy
Things cannot be reversed, we learn (4)_____ the times
we are cursed
Things (5)_____ be reversed, learn from the ones
we fear the worst
And learn from the ones we hate the most how to
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night

Just a young heart confusing my mind, but we're both in
silence
Wide-eyed, (6)_____ in silence
Wide-eyed
Cause we (7)_____ know I'll never be your lover
I only bring the heat
Company under cover
Filling space in your sheets
Well I'll never be a lover
I only bring the heat
Company under cover
Filling space in your sheets, in your sheets
So, (8)_____ just blow out all the candles, blow out
all the candles
"You're too old to be so shy," he says to me so I stay the night
It's just a young (9)_____ confusing my mind, but
we're both in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a (10)_____ scene.

Fill in the gaps

Answer
