

Candles by Daughter

Fill in the gaps

That boy, (1)_____ me away, into the night
Out of the hum of the street lights and (2)_____ a forest
I'll do whatever you say to me in the dark
Scared I'll be torn apart by a wolf in mask of a familiar name
on a birthday card
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night
Just a young heart confusing my mind, but we're
(3)_____ in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene
Well I have brittle bones it seems
I bite my tongue and (4)_____ my dreams
Have a little voice to speak with
And a mind of thoughts and secrecy
Things cannot be reversed, we (5)_____ from the
times we are cursed
Things (6)_____ be reversed, learn from the ones
we (7)_____ the worst
And (8)_____ from the ones we hate the most how to
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he (9)_____ to me so I stay
the night

Just a young heart confusing my mind, but we're both in
silence
Wide-eyed, both in silence
Wide-eyed
Cause we both know I'll never be your lover
I only bring the heat
Company under cover
Filling space in your sheets
Well I'll never be a lover
I only bring the heat
Company under cover
Filling space in your sheets, in (10)_____ sheets
So, please just blow out all the candles, blow out all the
candles
"You're too old to be so shy," he says to me so I stay the night
It's just a young heart confusing my mind, but we're both in
silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene.

Answer

1. take
2. into
3. both
4. torch
5. learn
6. cannot
7. fear
8. learn
9. says
10. your
