

Fill in the gaps

And now the end is (1)	I faced it all and I stood tall
So I (2) the final (3)	And did it my way
My friend, I'll say it clear	I've loved, I've laughed and (18)
I'll (4) my case of (5) I'm certain	I've had my fails, my share of losing
I've (6) a life that's full	And now as tears subside
I've traveled (7) and every highway	I find it all so amusing
And more, much more (8) this	To think I did all that
I did it my way	And may I say, not in a shy way
Regrets, I've had a few	No, oh no not me,
But then again, too few to mention	I did it my way
I did (9) I had to do	For what is a man, what has he got
And saw it through without exception	If not himself, then he has not
I (10) each charted course	To say the (19) he truly (20)
Each careful step (11) the byway	And not the words he (21) reveal
Oh, and more, (12) more than this	The (22) shows I took the blows
I did it my way	And did it my way
Yes, there (13) times, I'm sure you (14)	The (23) shows I (24) the
When I bit off more (15) I (16) chew	(25)
But through it all when there was (17)	And did it my way
I ate it up and spit it out
