## Fill in the gaps

I was in the winter of my life- and the men I met along the road
were my only summer.
At night I fell (1) with vision of myself dancing
and laughing and crying with them.
Three year down the line of being on an endless
(2) tour and my memories of them were the only
things that sustained me,
and my only real happy times. I was a singer, not very popular
one, who once has dreams of becoming a beautiful poet-
but upon an unfortunate (3) of events saw
those dreams dashed and (4) like million
stars in the night sky that I wished on (5) and over
again-
sparkling and broken.
But I really didn't mind because I knew that it takes getting
everything you ever wanted and then losing it to know what
true freedom is.
When the people I used to know found out what I had been
doing, how I had been living- they asked me why.
But there's no use in talking to people who have a home, they
have no idea what its like to seek safety in other people,
for home to be wherever you lied you head. I was always an
unusual girl, my mother told me that I had a chameleon soul.

Drink all day and we talk 'til dark

That's the way the road doves do it, ride 'til it's dark

Don't leave me now

Don't say good bye

Don't turn around

Leave me high and dry

I hear the birds on the summer breeze,

I drive fast

I am alone in the night
