

## Fill in the gaps

Right from the start	Just a little bit's enough
You were a thief you stole my heart	Just a second we're not broken just bent
And I your willing victim	And we can learn to love again
I let you see the parts of me	It's in the stars
That weren't all that pretty	Adictivoz.com Adictivoz.com
And (1) every touch you fixed them	It's been (6) in the scars on our hearts
Now you've been talking in your sleep	You're not (7) just bent
Things you never say to me	And we can learn to love again
Tell me that you've had enough	I never stopped
Of our love, our love	You're (8) (9) in the scars on
Just give me a reason	my heart
Just a (2) bit's enough	Your not broken just (10) and we can learn to love
Just a second we're not broken just bent	again
And we can learn to (3) again	Oh tears ducts and rust
It's in the stars	I'll fix it for us
It's been written in the scars on our hearts	We're collecting dust but our love's enough
We're not (4) just bent	You're holding it in
And we can learn to love again	You're pouring a drink
Im sorry I don't understand where all of this is coming from	No nothing is as bad as it seems
I thought that we were fine	We'll come clean
Oh we had everything	Just give me a reason
Your head is running wild again	Just a little bit's enough
My dear we still have everything	Just a second we're not broken just bent
And its all in (5) mind	And we can learn to love again
Yeah but this is happening	It's in the stars
You've been having real bad dreams	It's been written in the scars on our hearts
Oh oh	We're not broken just bent
You used to lie so close to me	And we can learn to love again. (x2)
Oh oh	And we can learn to love again
There's nothing more than empty sheets	And we can learn to love again
Between out love, our love,	Oh, that we're not broken, just bent
Oh our love, our love	And we can learn to love again
Just give me a reason
