Wheels are turning	Must (15) been a fool (16) the bitter end
I remember when you (1) mine	Now I hold on to (17) that I'll have you back again
Just to reach you	I'd (18) and I'd fightv But there's another
Baby I'd stand in line	world you're living in tonight
There's another world	Don't (19) your picture on my cell phone
We're living in tonight	I want you (20) with me
There's (2) heart	Don't want (21) memory in my head, no
That's fading the light	I want you here (22) me
Don't (3) (4) picture on my	I saw you in a restaurant the other day
(5) phone	And (23) of walking towards you
I (6) you here (7) me	I ran away
Don't want (8) memories in my head, no	And I keep on waiting for you
I want you here (9) me	That you'd (24) around
Spent the summer just laying out in the sun	Come around and say
Time seems to (10) so slowly	Don't want your (25) on my cell phone
When you're taking it as it comes	I (26) you here with me
Maybe we were just too young	Don't want those memories in my head, no
Your (11) was tan and (12) hair was	I want you (27) with me
long	Oh, here with me
You showed me your (13) and my cares were	Oh, here (28) me
gone	
Falling in love (14) my soul with fright	
You said	
Come on babe, it'll be alright
