Wheels are turning	Must have (6) a fool till the bitter end
I (1) when you were mine	Now I hold on to hope that I'll have you (7) again
Just to reach you	I'd bargain and I'd fightv But there's another world you're living
Baby I'd stand in line	in tonight
There's another world	Don't want your picture on my cell phone
We're living in tonight	I want you (8) with me
There's another heart	Don't want your memory in my head, no
That's fading the light	I want you here with me
Don't want your picture on my cell phone	I saw you in a restaurant the other day
I want you here with me	And instead of walking towards you
Don't want those (2) in my head, no	I ran away
I want you (3) with me	And I keep on waiting for you
Spent the (4) just laying out in the sun	That you'd come around
Time seems to move so slowly	Come around and say
When you're taking it as it comes	Don't want your picture on my cell phone
Maybe we were just too young	I want you here with me
Your body was tan and your hair was long	Don't want those memories in my head, no
You showed me your smile and my cares were gone	I (9) you here with me
Falling in love filled my (5) with fright	Oh, here with me
You said	Oh, (10) with me
Come on babe, it'll be alright
