### Let Her Go by Passenger

Well you only need the light when it's burning low  
Only miss the sun when it's starts to snow  
Only know your lover when you let her go  
Only know you've been high when you're feeling low  
Only hate the road when you're missin' home  
Only know your lover when you've let her go  
And you let her go  
Staring at the bottom of your glass  
Hoping one day you will make a dream last  
The dreams come slow and goes so fast  
You see her when you close your eyes  
Maybe one day you will understand why  
Everything you touch all it dies
