

Fill in the gaps

I, I'm (1) black on black	'Cause (22) knows
Just got my license back	We're just a couple of animals (animals)
got this feeling in my veins this train is coming off the track	So come on baby, get in
I'll ask polite if the devil needs a ride	Get in, just get in
Because the angel on my right (2) hanging	Look at the trouble (23) in
out (3) me tonight	We were parked out by the tracks
I'm driving (4) your house (5) you	We're sitting in the back
were sneaking out	And we just (24) getting busy
got the car (6) opened up so you can jump in on	When she whispered "what was that?"
the run	The wind, I think 'cause no one else knows where we are
Your mom don't know that you were missing	And that was when she started screamin'
She'd be pissed if she could see the parts of you I've	"That's my dad outside the car!"
(7) kissing	Oh please, the keys, they're not in the ignition
Screamin'	Must have wound up on the floor while
No, we're never gonna quit	We were switching our positions
Ain't nothing wrong (8) it	I guess they (25) that she was missing
Just acting like (9) animals	As I tried to tell her dad it was her mouth that I was kissing
No, no (10) where we go	Screamin'
Cause everybody knows	No, we're never gonna quit
We're just a (11) of animals	Ain't nothing wrong with it
So come on baby, get in	Just acting like we're animals (animals)
Get in, just get in	No, no matter (26) we go
Check out the (12) we're in	'Cause everybody knows
You're beside me on the seat	We're just a couple of animals (animals)
Got your hand between my knees	So (27) on baby, get in
And you control how fast we go by just how hard you wanna	We're just a couple of animals
squeeze	Get in, just get in
It's (13) to (14) when	Ain't nothing (28) it
(15) breathing in my ear	Check out the trouble (30) in
But I got (16) hands on the wheel while you got	We're just a couple animals
both hands on my gears	Get in, just get in
By now, no doubt (17) we were heading south	
guess nobody ever taught her not to (18) with a	
full mouth	
Cause this was it, like flicking on a switch	
It felt so (19) I almost drove into the ditch	
I'm screamin'	
No, we're never gonna quit	
Ain't nothing wrong with it	
Just (20) like we're (21)	
(animals)	
No, no matter where we go
