

Fill in the gaps

| Manage me, I'm a mess |
|----------------------------------------------------|
| Turn a page, I'm a book half-unread |
| I want to be laughed at, laughed with just because |
| I want to feel weightless |
| And that should be enough |
| But I'm stuck in (1) ****** rut |
| Waiting on a secondhand pick-me-up |
| And I'm (2) getting older |
| If I could just find the time |
| Then I (3) never let another day go by |
| I'm over getting old |
| And maybe it's not my weekend |
| But it's gonna be my year |
| I'm so sick of watching while the minutes pass |
| As I go nowhere |
| And this is my reaction |
| To everything I fear |
| 'Cause I've been going crazy |
| I don't want to waste another minute here |
| Make believe that I impress |
| That every word, by design, turns a head |
| I wanna feel reckless |
| Wanna (4) it up just because |
| I wanna feel weightless |
| 'Cause (5) would be enough |
| If I could just find the time |
| Then I would never let another day go by |

| And maybe it's not my weekend But it's gonna be my year I'm so sick of watching while the minutes pass As I go nowhere And this is my reaction To everything I fear 'Cause I've been going crazy I don't want to waste another minute here This could be all I've waited for (I've waited, I've waited for) And this could be everything I don't (7) dream anymore Maybe it's not my weekend |
