

Fill in the gaps

Manage me, I'm a mess	1'm (16) getting old
Turn a page, I'm a (1) half-unread	And maybe it's not my weekend
I (2) to be laughed at, laughed with (3)	But it's (17) be my year
because	I'm so sick of watching (18) the
I want to feel weightless	(19) pass
And (4) should be enough	As I go nowhere
But I'm stuck in this ****** rut	And this is my reaction
Waiting on a secondhand pick-me-up	To everything I fear
And I'm over (5) older	'Cause I've been (20) crazy
If I (6) just find the time	I don't want to waste another minute here
Then I (7) never let another day go by	This (21) be all I've waited for
I'm (8) old	(I've waited, I've waited for)
And maybe it's not my weekend	And (22) could be everything
But it's (10) be my year	I don't wanna dream anymore
I'm so sick of watching while the minutes pass	Maybe it's not my weekend
As I go nowhere	But it's (23) be my year
And this is my reaction	And I've been (24) crazy
To (11) I fear	I'm stuck in here
'Cause I've (12) going crazy	And maybe it's not my weekend
I don't want to waste another minute here	But it's gonna be my year
Make believe that I impress	I'm so sick of watching while the minutes pass
That every word, by design, (13) a head	As I go nowhere
I wanna feel reckless	And this is my reaction
Wanna live it up just because	To everything I fear
I wanna feel weightless	'Cause I've been going crazy
'Cause (14) would be enough	I don't want to waste another minute here
If I could just (15) the time	
Then I would never let another day go by
