

Fill in the gaps

This Game Is Over by Alejandro Sanz & Emeli Sandé © & Jamie Foxx

When visions and sick precisions awaiting at night

I guess you'll be confessing soon

That you're (1)_____ me right

Hating me, right, (2)_____ me, right

Just caught with the fire, call me a liar

On this funeral part about desire

Seasons sighing, sighing, all (3)_____ the
end

Going for the dim martyrs

They were saying amen

Spraying and swinging with automatics

Got the (4)_____ erratic

It look so static, it's all (5)_____ as an attic

He knew without you

(No debería aparecer ahora)

(No deberías mirarme así)

(No debería hacer que te enamoras)

(No deberías jugar así)

(Tú no deberías estar en mi persona)

(A veces creo que no debo)

(Y a veces sueño con tenerte)

If only time could go slower

If only (6)_____ could (7)_____ us closer

If we could be more than (8)_____ lovers

If you believe that our love is not strong

This (9)_____ is over

This game is over

Never had to doubt you

But these wounds were inflicted

Perusing them soon

But recollections (10)_____ restricted

My (11)_____ talks and talks, smoke

Some fire and brimstone

Telling me we had our fun

But it's over in dim tones

And all our sins showing

In the heat of the moment

So potent till the goading

Get (12)_____ and now is growing

And you rolling and throttling, falling like roses

Swollen and (13)_____ in the blast

The throne with (14)_____ to close up my past

(No debería aparecer ahora)

(No deberías (15)_____ así)

(No deberías tentar a la suerte)

(A (16)_____ creo que no debo)

(Y a veces (17)_____ con tenerte)

If only time (18)_____ go slower

If only (19)_____ could bring us closer

If we could be more than just lovers

If you (20)_____ our (21)_____ goes strong

If (22)_____ (23)_____ could go slower

If only space (24)_____ (25)_____ us closer

If we could be (26)_____ than just lovers...

If you believe (27)_____ our love is not strong

This game is over

(Ohhh)

This game is over

This game is over

Fill in the gaps

Answer

1. evading
