The Party Scene (Live) by All Time Low

		You know you left the girl with nothing
Hey, kid, you've got		But the sunrise through the window pane
A lot of potential but I think it's time to move up		Where (5) eyes (6) close
So go on and blow us away with your sound		Stay seventeen
Now you're everything that we've come to love		The party scene has got the best of me and you
ou (1) us to move, now we'll show it off		We've got to let this go
Just drop us the beat (c'mon)		I know she hopes I choke on (7) last drink
Here's to the fast times		Drop dead before my influence (8) to her head
The times we felt alive		She said
To all the nights that we (2) to get back home		I'll love you forever or find something better
Stay seventeen		It's all just the (9) as when we sleep together
The party scene has got the best of me and you		We wake up with (10) and trouble
We've got to let this go		remembering
Drink up last call before the sunrise sets the scene		What went wrong
Of empty bottles, heavy hearts		Stay seventeen
The (3)	_ of broken dreams	The party scene has got the best of me and
We were so tired yet so alive		You, we've got to let this go
Wrapped up in lies		
Like sheets of another one	e (4) stand
