You know you left the girl with nothing

The Party Scene (Live) by All Time Low

Hey, kid, you've got	But the sunrise through the window pane
A lot of potential but I (1) it's time to move up	Where (17) eyes will close
So go on and blow us away with your sound	Stay seventeen
Now you're (2) (3) we've	The party scene has got the best of me and you
come to love	We've got to let this go
You taught us to move, now we'll show it off	I know she (18) I choke on this last drink
Just drop us the beat (c'mon)	Drop (19) before my influence gets to her head
Here's to the fast times	She said
The (4) we felt alive	I'll love you forever or find (20) better
To all the nights (5) we forgot to get back home	It's all just the same as when we sleep together
Stay seventeen	We wake up with headaches and trouble remembering
The (6) scene has got the (7) of me	What went wrong
and you	Stay seventeen
We've got to let this go	The party (21) has got the (22) of me
Drink up last (8) (9) the	and
(10) sets the scene	You, we've got to let (23) go
Of (11) bottles, (12) hearts	
The (13) of broken dreams	
We (14) so tired yet so alive	
Wrapped up in lies	
Like (15) of (16) one night
