You know you left the girl with nothing

## The Party Scene (Live) by All Time Low

Hey, kid, you've got	But the sunrise (5) the window pane
A lot of potential but I think it's time to move up	Where tired eyes will close
So go on and blow us away with your sound	Stay seventeen
Now you're everything that we've come to love	The party scene has got the best of me and you
You (1) us to move, now we'll show it off	We've got to let this go
Just drop us the beat (c'mon)	I know she (6) I (7) on this las
Here's to the (2) times	drink
The times we felt alive	Drop dead before my influence gets to her head
To all the nights that we (3) to get back home	She said
Stay seventeen	I'll love you forever or find something better
The party scene has got the best of me and you	It's all (8) the (9) as when we sleep
We've got to let this go	together
Drink up last call before the sunrise sets the scene	We (10) up with headaches and trouble
Of empty bottles, heavy hearts	remembering
The (4) of broken dreams	What went wrong
We were so tired yet so alive	Stay seventeen
Wrapped up in lies	The party scene has got the best of me and
Like sheets of another one night stand	You, we've got to let this go
