

Fill in the gaps

You gave me nothin' now it's all I got
We're one but we're not the same
Well we hurt each (10)
You say love is a temple, love a higher
Love is a temple, love the higher law
You ask me to enter but then you ma
And I can't be holdin' on to what you
When all you got is hurt
One love, one blood
One life, you got to do what you shou
One life, with each other
Sisters, brothers
One life but we're not the same
We get to carry each other, carry each
