

Fill in the gaps

May our hearts be full like our drinks tonight	And I will be remembered
May we sing and dance till we lose our minds	For centuries of sand
We are only (1) if we (2) the night	This man was a hero
Tonight we own the night	A hero of the night
Tonight we own the night	When he was at a party
(La la la la la la)	The party never died
(La la la la la la)	(Hey)
When my time is over, lying in my grave	I'm a little drunk but I got something to say
Written on my tombstone, I want it to say	May our (7) be full like our drinks tonight
This man was a legend, a (3) of his time	May we sing and dance till we lose our minds
When he was at a party	We are only young if we (8) the night
The party never died	Tonight we own the night
(Hey)	And let us wake up in studded strangers bed
Everybody's got a dream so what do you say?	Let the drinks comes in until nothing left
Are we making history?	And this night my (9) we will not forget
May our hearts be (4) like our (5)	Tonight we own the night
tonight	Tonight we own the night
May we sing and dance till we lose our minds	May our (10) be full like our drinks tonight
We are only young if we seize the night	May we sing and dance till we lose our minds
Tonight we own the night	We are only young if we seize the night
Tonight we own the night	Tonight we own the night
(La la la la la la)	Tonight we own the night
(La la la la la la)
