## Prime Time by Janelle Monáe & Miguel

(It's (1) time)	And it's hard
Tick-tock, I'm watching the clock	And you feel like you've given your all
I can't wait till we get to rock	Baby, my love
I wanna scream and dream and throw a love parade	Is always right here for you (yeah)
Is that okay (yeah)	'Cause baby it's a (7) time
Tonight it's me and you alone	For our love
Won't make a call, won't even write a song	Ain't nobody peeking but the (8) above
See I've been (2) and waiting for the time	It's a prime time
to say	For our love
Now (3) baby	And Heaven is betting on us
When you're down	It's a (9) time
And it's hard	For our love (yes, it is)
And you feel like you've (4) your all	Ain't nobody peeking but the stars above
Baby, I know	It's a prime time
We'll always keep it (5) and true (yeah, yeah)	For our love
'Cause baby it's a prime time	And Heaven is (10) on us
For our love	I know sometimes I'm mysterious
Ain't nobody peeking but the stars above	And you're mysterious too
It's a prime time	But tonight
For our love	I don't wanna be mysterious with you
And Heaven is betting on us	'Cause baby it's a prime time
Bang bang, I'm calling (6) name	For our love
You're like a fire the world can't tame	Ain't nobody peeking but the stars above
I wanna riot till the stars come out and play	It's a prime time
Is that okay (is that okay, babe)	For our love
Tonight it's me and you alone	And Heaven is betting on us
Won't take a call, won't even write a song	
This will be a personal kind of day
