

Fill in the gaps

Really Don't Care (Live) by Demi Lovato

...
You wanna stay, you wanna play
You wanna have it all
You started messing with my head
Until I hit a wall
Maybe I should've known
Maybe I should've known
That you would walk
You would (1)_____ out the door (hey)
Said we were done
And met someone and rubbed it in my face
Cut to the part she (2)_____ your heart
And (3)_____ she ran away
I guess you shoulda known
I guess you shoulda known
That I would talk, I would talk
But even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
(Oh, oh, oh)
I really don't care
But even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
(Oh, oh, oh)
I really don't care
(Oh, oh, oh)
I really don't care
I can't believe
I ever stayed up writing songs about you
You don't deserve to know
The way I used to think about you
(Oh) no, not anymore
(Oh) no, not anymore
You had your shot
Had (4)_____ shot
But you (let go)

Now if we meet out on the street
I (5)_____ be running scared
I'll walk right up to you
And put one (6)_____ in the air
And (7)_____ you understand
And make you understand
You had your chance, had (8)_____ chance
But even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
(Oh, oh, oh)
I really don't care
Even if the stars and moon collide
I never want you back into my life
You can take (9)_____ words and all your lies
(Oh, oh, oh)
I really don't care
(Oh, oh, oh)
I really don't care
Hey, hey never look back
Dumbstruck boy, ego intact
Look boy, why you so mad
Second guess him, but shoulda hit that..
But (10)_____ if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
(Oh, oh, oh)
I really don't care
Even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
(Oh, oh, oh)
I really don't care
(Oh, oh, oh)
I really don't care

Answer

1. walk
2. broke
3. then
4. your
5. won't
6. finger
7. make
8. your
9. your
10. even
