Why'd You Only Call Me When You're High by Arctic Monkeys

this week)	Left you multiple missed calls
How many secrets can you keep)	And to my message, you reply
'Cause there's this tune I've found)	Why'd you only call me when you're high
That makes me think of you somehow)	High
And I play it on repeat)	Why'd you only call me when you're high
Until I fall asleep)	Somewhere darker
Spilling drinks on my settee)	Talking the same shite
Do I wanna know)	I need a partner (high)
If this feeling flows both ways)	Well, are you out tonight
Sad to see you go)	It's harder and harder to get you to listen
Sort of hoping that you'd stay)	More I get through the gears
Baby we both know)	Incapable of making alright decisons
That the nights (1) mainly made)	And having bad ideas
For (2) things that you can't say tomorrow	Now it's three in the morning
day)	And I'm trying to change your mind
Crawling back to you)	Left you multiple missed calls
Ever thought of calling when)	And to my message, you reply (message you reply)
You've had a few)	Why'd you only call me when you're high
'Cause I always do)	(Why'd you only call me when you're)
to (3) for somebody new)	High
Crawling back to you)	Why'd you only call me when you're high
Crawling back to you)	And I can't see you here wondering where I might
So have you got the guts)	It sort of feels like I'm running out of time
Been wondering if your heart's still open)	I haven't found (7) I was hoping to find
And if so I wanna know what time it shuts)	You said you gotta be up in the morning
Crawling back)	Gonna have an (8) night
The mirror's image	And you're starting to bore me, baby
Fells me it's home time	Why'd you only (9) me when you're high
But I'm not finished	Why'd you only ever phone me when you're high
Cause you're not by my side	Why'd you only ever phone me when you're high
And as I (4) I thought I saw you leaving	Why'd you (10) ever phone me when you're high
Carrying your shoes	Why'd you only ever phone me when you're
Decided (5) once again I was just dreaming	High
Of bumping into you	
Now it's (6) in the morning	

- 1. were
