

Fill in the gaps

Why'd You Only Call Me When You're High by Arctic Monkeys

(this week)	Left you (13) (14) calls
(How many secrets can you keep)	And to my message, you reply
('Cause there's this tune I've found)	Why'd you only call me when you're high
(That makes me think of you somehow)	High
(And I play it on repeat)	Why'd you only (15) me when you're high
(Until I fall asleep)	Somewhere darker
(Spilling (1) on my settee)	Talking the same shite
(Do I wanna know)	I need a partner (high)
(If this feeling flows both ways)	Well, are you out tonight
(Sad to see you go)	It's harder and harder to get you to listen
(Sort of hoping that you'd stay)	More I get (16) the gears
(Baby we (2) know)	Incapable of making alright decisons
(That the nights (3) mainly made)	And having bad ideas
(For (4) things that you can't say tomorrow	Now it's three in the morning
day)	And I'm trying to change your mind
(Crawling back to you)	Left you (17) missed calls
(Ever thought of (5) when)	And to my message, you reply (message you reply)
(You've had a few)	Why'd you only call me when you're high
('Cause I always do)	(Why'd you only call me when you're)
(to (6) for somebody new)	High
(Crawling (7) to you)	Why'd you only call me when you're high
(Crawling (8) to you)	And I can't see you here wondering where I might
(So (9) you got the guts)	It (18) of feels like I'm running out of time
(Been (10) if your heart's still open)	I haven't (19) what I was hoping to find
(And if so I wanna know what time it shuts)	You said you gotta be up in the morning
(Crawling back)	Gonna have an early night
The mirror's image	And you're starting to bore me, baby
Tells me it's (11) time	Why'd you only call me when you're high
But I'm not finished	Why'd you only ever (20) me (21)
'Cause you're not by my side	you're high
And as I arrived I (12) I saw you leaving	Why'd you (22) (23) phone me when
Carrying your shoes	you're high
Decided that once again I was just dreaming	Why'd you (24) ever (25) me when
Of bumping into you	you're high
Now it's three in the morning	Why'd you only (26) (27) me when
And I'm trying to change your mind	you're
	Hiah
