Fill in the gaps

Crying Lightning by Arctic Monkeys

Outside the cafe by the cracker factory		Like you'd never (7) a war	
You were practicing a magic trick		Although I tried so not to suffer	
And my (1) got rude		The indignity of a reaction	
As you talked and chewed		There was no cracks to grasp	or gaps to cla
On the last of your pick and mix		And your pastimes consisted of the strange	
So, you're mistaken if you're thinking		And twisted and deranged	
That I haven't been called cold before		And I hate that little game	
As you bit into your (2)	lace	You had called "Crying lightn	ing"
And then offered me your attention		And how you liked to aggravate	
In the form of a gobstopper		The icky man on rainy afternoons	
It's all you had left and it was going to waste		Uninviting	
Your pastimes consisted of the strange		But not half as impossible	
And twisted and deranged		As everyone (8) you are	
And I love that little game		"Crying lightning"	
You had called "Crying lightning"		Your pastimes consisted of the strange	
And how you liked to aggravate		Twisted and deranged	
The ice-cream man on (3) afternoons		And I hate that little game you had called	
The next time that I caught my own reflection		Crying lightning	
It was on its way to meet you		Crying lightning	
Thinking of excuses to postpone		Crying lightning	
You never looked like yourself		Crying lightning	
From the side but your profile		Your pastimes, consisted of the strange	
Could not hide the fact		And twisted and deranged	
You knew I was approaching (4) throne	Э	And I hate that (9)	game
With folded arms you occupied		You had (10)	"Crying"
The bench (5) a toothache			
Stood and (6) your chest out
