

Fill in the gaps

Better Than I Know Myself by Adam Lambert

| Cold as ice | 'Cause if I wanted to go I would have gone by now |
|---|---|
| And (1) bitter (2) a December | But I really need you (10) me to |
| Winter night | Keep my mind off the edge |
| That's how I treated you | If wanted to (11) I would have left by now |
| And I know that I | But you're the only one (12) knows me |
| I sometimes tend to lose my temper | Better than I know myself |
| And I cross the line | I get kind of dark |
| Yeah that's the truth | Let it go too far |
| I know it (3) hard sometimes | I could be abnoxious at times |
| But I could never | But try and see my heart |
| Leave your side | 'Cause I need you now |
| No matter what I say | So don't let me down |
| 'Cause if I wanted to go I would have gone by now | You're the only (13) in this world |
| But I (4) need you (5) me to | I would die without |
| Keep my mind off the edge | 'Cause if I (14) to go, I would (15) |
| If I wanted to leave I would have left by now | gone by now |
| But you're the (6) one that knows me | But I really need you (16) me to |
| Better than I know myself | Keep my (17) off the edge |
| All along | If I wanted to leave I (18) have (19) |
| I tried to pretend it didn't matter | by now |
| If I was alone | But you're the (20) one (21) knows me |
| Deep (7) I know | Better (22) I know myself |
| If you were gone | 'Cause if I (23) to go I would have gone by |
| For even a day I wouldn't know which way to turn | now |
| 'Cause I'm lost without you | But I really (24) you (25) me to |
| I know it gets (8) sometimes | Keep my mind off the edge |
| But I could never | If I wanted to leave I (26) have left by now |
| Leave your side | But You're the (27) one (28) knows me |
| No (9) what I say | Better (29) I know myself |
