### Fill in the gaps

#### Better Than I Know Myself by Adam Lambert

Cold as ice	'Cause if I (5) to go I would have
And more bitter than a December	(6) by now
Winter night	But I really need you near me to
That's how I treated you	Keep my mind off the edge
And I know that I	If wanted to leave I would have left by now
I sometimes tend to lose my temper	But you're the only one that knows me
And I cross the line	Better than I know myself
Yeah that's the truth	I get kind of dark
I know it gets hard sometimes	Let it go too far
But I could never	I (7) be abnoxious at times
Leave your side	But try and see my heart
No matter what I say	'Cause I need you now
'Cause if I wanted to go I would have gone by now	So don't let me down
But I really need you near me to	You're the (8) thing in this world
Keep my mind off the edge	I would die without
If I wanted to leave I would have left by now	'Cause if I wanted to go, I would have gone by now
But you're the only one that knows me	But I really need you (9) me to
Better than I know myself	Keep my mind off the edge
All along	If I wanted to leave I would have left by now
I tried to (1) it didn't matter	But you're the only one that knows me
If I was alone	Better than I know myself
Deep down I know	'Cause if I wanted to go I would have gone by now
If you were gone	But I really need you near me to
For even a day I wouldn't know which way to turn	Keep my mind off the edge
'Cause I'm (2) without you	If I wanted to leave I would have left by now
I know it gets hard sometimes	But You're the only one that (10) me
But I (3) never	Better than I know myself
Leave your side	
No (4) what I say
