

Fill in the gaps

Fly With Me by The Jonas Brothers

If time was (1) the sun would never, never find	Maybe you were just afraid
us	Knowing you were (14) away
We (2) light up the sky tonight	From the (15) where you (16) to
I would see the world (3) (4)	be
eyes	And that's right (17) (18) me
And leave it all behind	It's you and me forever
If it's you for me forever	You and me (19) now
If it's you and me (5) now	That'd be alright
That'd be alright, be alright	We're (20) stars to lose our shadow
We're chasing stars to (6) our shadow	Peter Pan and Wendy turned out fine
Peter Pan and (7) turned out fine	So won't you fly with me?
So won't you fly (8) me?	If it's you for me forever
Oh yeah, gonna fly (9) me now	If it's you and me right now
Now the (10) is (11) alive	I'd be alright, be alright
And given meaning and a reason	We're (21) stars to (22) out
To (12) all I can	shadow
To believe once again	Peter Pan and Wendy turned out fine
If it's you for me forever	So won't you fly, fly, fly with me?
If it's you and me right now	
That'd be alright, be alright	
We're chasing stars to lose our shadow	
Peter Pan and (13) turned out fine	
So won't you fly with me?
