

Fill in the gaps

Weekends in bed	We spend all our time lying side by side
No scramble eggs or bacon	Going nowhere, it's really something
I (1) have time for you	Getting busy, (4) nothing
Backs on the grass	We spend all our time running our lives
Heads in the clouds	Going nowhere, it's really something
We closed our eyes	Getting busy, doing nothing
Enjoy the view	Doing nothing
We don't wanna hear	We should be working hard
The real world passing by	Instead of lying here naked
Saying that we're crazy	Phone rings but I wont take it
We spend all our time (2) side by side	'Cause you only get one life
Going nowhere, it's really something	Only get one life
Getting busy, doing nothing	All our time (5) side by side
We spend all our time running our lives	Going nowhere, it's really something
Going nowhere, it's really something	Getting (6) doing nothing
Getting busy, doing nothing	We (7) all our (8)
No magazines or DVD's	(9) our lives
We both got better things to do	Going nowhere, it's really something
I'll hold your hand	Getting busy, (10) nothing
Or shall we dance together?	All our time
It's so hard to choose	Doing nothing
Every time we hear	All our time
The whole world rush by	Getting busy, doing nothing
