## Jar Of Hearts (Cover) by Maddi Jane

## Fill in the gaps

I know I can't take one more step	Dear, it (14) so long
Towards you	Just to feel alright
'Cause all that's waiting is regret	Remember how to put
And don't you (1) I'm not (2)	Back the light in my eyes
(3) anymore?	I wish I had missed
You lost the love I loved the most	The first time that we kissed
I learned to live, half-alive	'Cause you broke all (15) promises
And now you want me one (4) time	And now you're back
And who do you think you are?	You don't get to get me back
Running 'round leaving scars	And who do you think you are?
Collecting (5) jar of hearts	Running 'round leaving scars
And (6) love apart	Collecting your jar of hearts
You're gonna catch a cold	And tearing love apart
From the eyes inside (7) soul	You're gonna catch a cold
So don't come back for me	From the ice inside your soul
Who do you think you are?	So don't (16) back for me
I (8) you're (9) all around	Don't come back at all
If I am anywhere to be found	And who do you (17) you are?
But I have grown too strong	Running 'round leaving scars
To ever fall back in your arms	Collecting (18) jar of hearts
And learn to live (10) alive	And (19) love apart
And now you want me one more time	You're (20) catch a cold
And who do you think you are?	From the ice inside your soul
Running 'round (11) scars	So don't come back for me
Collecting your jar of hearts	Don't (21) at all
And tearing love apart	Don't come back at all
You're gonna (12) a cold	Who do you think you are?
From the ice inside your soul	
So don't come back for me	
Don't come (13) at all
