

## Fill in the gaps

Can't you hear me screaming, once again?		There's (10)	more (11) me you
Voices you can't hear		can consume	
Because you are (1)	and incontent	'Cause you are incomplete	
With (2)	greed	Always (12)	(13) (14)
Don't you see me on my hands and knees?		(15) can't see	
Begging and bleeding		Thinking you are in need	
You're (3)	as you bite the hand that feeds	Always (16)	what your ears can't hear
But will you (4)	see?	Thinking you're incomplete	
Always wanting what your eyes can't see		It was never (17) that I gave to you	
Thinking you are in need		All of the horror that you've put me through	
Always hearing what your (	5) can't hear	Now can't I (18) ι	up my (19) this time?
Thinking you're incomplete		This is where I'll draw the line	
It was never enough that I g	ave to you	Never again (20)	I be (21) you
All of the (6)	that you've put me through	No promise eternal (22)	us through
Now can't I (7) u	p my mind this time?	I finally made up my mind thi	s time
This is (8) I wi	II draw the line	This is the end, I've (23)	the line
Sacrificed my (9)	to be with you	Never enough to (24)	your greed
Why did you leave me?			

## 1. consumed
