## Stand Up For Love by Destiny's Child

There are times	A (7) up
find it hard to sleep at night	Of suffering
We are living through such troubled times	If we all (8) together this one time
And there's a child	Then no one will get left behind
That (1) out for someone to hold	Stand up
For one moment (2) (3) my own	For life
And how can I	Stand up
Pretend (4) I don't know what's (5)	For love
on	And it all starts right here
When every second, every minute	And it starts right now
Another soul is gone	One person stands up and
And I believe	And the rest will follow
That in my life I will see	For all the forgotten
An end to hopelessness	For all the unloved
A giving up	I'm (9) sing this song
Of suffering	And I believe
f we all stand together this one time	That in my life I will see
Then no one will get left behind	An end to hopelessness
Stand up	A (10) up
For life	Of suffering
Stand up	If we all stand together this one time
For love	Then no one will get left behind
'm inspired	Stand up
And hopeful (6) and every day	For life
That's how I know that things are gonna change	Stand up
So how can I	And sing, yeah
Pretend that I don't know what's going on	Stand up
When every second, every minute	For love
Another soul is gone	For love, for love
Now, I believe	

- 1. reaches
- 2. they
- 3. become
- 4. that
- 5. going
- 6. each
- 7. giving
- 8. stand
- 9. gonna
- 10. giving
