Golden Parachutes (Acoustic) by Hawthorne Heights

When the cold and the (1) collide	In a world that's upside down
There'll be nothing left for us to hide	This (13) all come back around
As we search for the other side	And you'll be on (14) own
We will be (2) another war inside	You'll be all alone
As the white (3) begin to fly	When this all comes (15) around
Still (4) until we hey	Die for the (16) parachutes
Die for the (5) parachutes	It isn't (17) (18) that's left to lose
It isn't your life that's left to lose	Die for the (19) parachutes
Because you gave it all away	Hey
What else can I say	Die for the golden parachutes
When the cities (6) turned to dust	It isn't your life that's left to lose
There'll be nothing left for us to trust	Because you gave it all away
As we (7) through the ash and rust	What (20) can I say
We will be (8) (9) war	In a (21) that's upside down
in disgust	Where (22) you (23) I hit the ground?
As the white flags (10) to fly	In a world that's upside down
Still fight until we hey	This will all come (24) around
Die for the golden parachutes	And you'll be on your own
It isn't (11) life that's left to lose	You'll be all alone
Because you gave it all away	When (25) all comes (26) around
What else can I say	
In a world that's upside down
