I can't believe it's over	Life can show no mercy
I watched the whole thing fall	It can tear your soul apart
And I never saw the writing that was on the wall	It can make you (6) like you've gone crazy
If I'd only knew	But you're not
The (1) were slipping past	Things have seem to changed
That the good things never last	There's one thing that's still the same
That you were crying	In my heart you have remained
	And we can fly fly away
Summer turned to winter	'Cause you are not alone
And the snow it turned to rain	And I am there with you
And the rain (2) (3) tears upon	And we'll get lost together
your face	Till the light comes (7) through
I hardly recognized	'Cause when you feel like you're done
The girl you are today	And the darkness has won
And god I hope it's not too late	Babe, you're not lost
	When the (8) crashing down
It's not too late	And you can not bear to crawl
'Cause you are not alone	I said, baby, you're not lost
I'm (4) there with you	
And we'll get lost together	I said, baby, you're not lost
Till the light comes pouring through	I said, baby, you're not lost
'Cause when you feel like you're done	
And the darkness has won	I said, baby, you're not lost
Babe, you're not lost	
When your worlds crashing down	
And you can't (5) the thought	
I said, babe, you're not lost
