

## Fill in the gaps

I can't believe it's over	Life can snow no mercy
I (1) the whole (2) fall	It can tear your soul apart
And I never saw the writing (3) was on the wall	It can make you feel like you've (16) crazy
If I'd only knew	But you're not
The days were slipping past	Things have seem to changed
That the (4) (5) never last	There's one thing that's (17) the same
That you (6) crying	In my (18) you (19) remained
	And we can fly fly fly away
Summer (7) to winter	'Cause you are not alone
And the snow it (8) to rain	And I am there (20) you
And the rain (9)(10)	And we'll get lost together
(11) upon your face	Till the light comes pouring through
I hardly recognized	'Cause (21) you feel (22) you're don
The (12) you are today	And the (23) has won
And god I (13) it's not too late	Babe, you're not lost
	When the (24) (25)
It's not too late	down
'Cause you are not alone	And you can not bear to crawl
I'm always there with you	I said, baby, you're not lost
And we'll get lost together	
Till the light comes pouring through	I said, baby, you're not lost
'Cause (14) you feel like you're done	I said, baby, you're not lost
And the darkness has won	
Babe, you're not lost	I said, baby, you're not lost
When your (15) crashing down	
And you can't bear the thought	
I said, babe, you're not lost
