

## Fill in the gaps

I, I,			I can't give up (can't give up)
I can see it in (1) eyes			On this love
Taste it in our first kiss			I can't just close the door
Stranger in this (2)	town	(this	(on this love)
(3) town)			I never felt anything like this before
Save me from my emptiness (save me)			(like (6) love)
You took my hand			Tell me the truth no matter what we're going through
You told me it would be ok			Will you (7) on too 'cause
I trusted you to hold my heart			Even if I leave you now
Now fate is pulling me away, from you			And it breaks my heart
Even if I (4) you now			Even if I'm not around
And it breaks my heart			I won't (8) in
Even if I'm not around			I can't give up
I won't give in			On this love
I can't give up			Even if I leave you now (leave you now)
On this love			And it breaks my heart
You've become a piece of me			Even if I'm not around (not around)
Makes me sick to even think			I won't give in (won't give in)
Of mornings waking up alone			I can't (9) up (can't give up)
Searching for you in my sheets			I won't give in (won't give in)
Don't fade, away			I can't give up (can't give up)
Even if I leave you now			On this love
And it breaks my heart			
Even if I'm not around			
I won't give in (won't (5) in)
