

Fill in the gaps

You look into my eyes	I (11) you baby
And I get emotional inside	I still believe that we can be together
I know it's (1) but	No, no, no
You still can (2) my heart	If we believe that (12) (13)
And after all this time	(14) has to end
You'd think that I	Then we must know that we (15) (16)
Wouldn't feel the same	again
But time melts into nothing	I still believe
And nothing's changed	Someday you and me
I still believe	Will find ourselves in love again
Someday you and me	(Oh, baby, yeah, yeah)
Will (3) ourselves in (4) again	I had a dream
I had a dream	You and me
Someday you and me	Will (17) ourselves in love again
Will find ourselves in love again	(I still believe)
Each day of my life	(Ooh) baby, I do
I'm filled (5) all the joy I (6) find	(Someday you and me)
You know that I	Just (18) me one more try
I'm not the desperate type	In (19) again
If there's one spark of hope	(I had a dream)
Left in my grasp	I miss (20) love
I'll be holding it (7) both hands	(Someday you and me)
It's (8) the (9) of burning	Will (21) ourselves in love again
To have a (10) chance	(I (22) believe, someday you and me)
No, no, no, no, no, no	Will find (23) in love again
