# Rolling In The Deep (Cover) by VÃ¡zquez Sounds & Adele

There's a fire starting in my heart

Reaching a fever pitch and it's bringing me out the dark

Finally, I can see you crystal clear

Go ahead and sell me out and I'll lay your ship bare

See how I'll leave (1)_____ piece of you

Don't underestimate the things that I will do

There's a fire starting in my heart

Reaching a fever (2)_____ and it's bring me out the dark

The scars of your love (3)_____ me of us

They keep me thinking (4)_____ we almost had it all

The scars of your love, they leave me breathless

I can't help feeling

We could have had it all...

Rolling in the deep...

You had my heart inside your hand

But you played it with the beat

Baby, I have no story to be told

But I've heard one on you

And I'm gonna (5)_____ (6)_____ head burn

Think of me in the depths of (7)_____ despair

Make a home down there as mine sure won't be shared

The scars of your love remind me of us

They keep me thinking that we almost had it all

The scars of your love, they leave me breathless

I can't help feeling

We could have had it all...

Rolling in the deep...

You had my heart (8)_____ your hand

But you played it with the beat

We could have had it all...

Rolling in the deep...

You had my heart (9)_____ your hand

But you played it with a beating

Throw your soul through every (10)_____ door

Count your blessings to find what your look for

Turn my sorrow into treasured gold

You'll pay me back in kind

And reap just what you've sown

We could have had it all...

We could have had it all...

It all, it all, it all

We could have had it all...

Rolling in the deep...

You had my heart inside your hand

But you played it with the beat

We could have had it all...

Rolling in the deep...

You had my heart inside your hand

But you played it

You played it

You played it

You played it to the beat
