## Cruise (Remix) by Florida Georgia Line & Nelly

	So, baby, you a song
Baby, you a song	You make me wanna roll my windows down
You make me wanna roll my windows down	And cruise
And cruise	My windows down, my seats back
I got my windows down	My music up, and we ride
And the radio up, get your radio up	Her legs up on my dashboard
What up Nelly, alright	And it's just the way I like
I got my windows down	Hey, country girl, this country boy
And the (1) up, get your radio up	Like everything about you
Yeah, when I first saw that bikini top on her	Don't change a thing, no way
She's poppin' right out	You stay the same, I got you
Of the South Georgia water	I like saw that, all that
Thought, oh, good Lord	Head to toe you all that
She had them long tanned legs	Tell ole boy he call back
Couldn't help (2) so I walked up and said	Send a text say, "fall back" 'cause
Baby, you a song	I can see you got a thing for the fast life
You make me wanna roll my windows down	So come on, shawty
And cruise	Let me show you what the fast like
Down a back road blowin' stop	Whipping 'cross the border
Signs through the middle	Florida into Georgia
Every little (3) town with you	'Cause, baby, you a song
And this brand new Chevy with a lift kit	And you (4) me wanna roll my
Would look a hell a lot better	(Roll my, roll my, r-r-r-roll)
With you up in it (come on)	Baby, you a song
So, baby, you a song	You make me wanna roll my windows down
You make me wanna roll my windows down	And cruise
And cruise	Down a back road blowing stop
I got my windows down	Signs through the middle
And the radio up, get your radio up	Every little farm town with you
Yeah, she was sippin' on Southern	And this brand new Chevy with a lift kit
And singin' Marshall Tucker	Would look a hell a lot better
We were falling in love	With you up in it (come on)
In the sweet heart of summer	Baby, you a song
She hopped right up	You (5) me wanna roll my (6)
Into the cab of my truck and said	down
"Fire it up! Let's go get this thing stuck!"	And cruise
Baby, you a song	I got my windows down
You make me wanna roll my windows down	And the radio up, get your (7) up
And cruise	(Get (8) windows down and cruise)
Down a back road blowin' stop	I got my windows down
Signs through the middle	And the radio up, get your radio up
Every little farm town with you	(Get those (9) down and cruise)
And this brand new Chevy with a lift kit	I got my windows down
Would look a hell a lot better	And the radio up, get your radio up
With you up in it (come on)
