

## Fill in the gaps

That's all I wanted, something special	Till the end of time	
Something sacred in your eyes	If you are the desert, I'll be the sea	
For just one moment, to be (1) and naked at your	If you ever hunger, hunger for me	
side	Whatever you ask for, that's what I'll be	
Sometimes I think that you'll never understand me	So when you (6) the (7) who	)
Maybe (2) time is forever, say it can't be	have lied	
That's all you wanted, something special	Who said that they cared	
Someone sacred in your life	But then laughed as you cried	
Just for one moment, to be warm and naked at my side	Beautiful darling, don't think of me	
Sometimes I think that you'll never understand me	Because all I ever wanted	
But something tells me together, we'd be happy	It's in (8) eyes baby, baby	
I will be your father figure	And love can't lie, no	
(Oh, baby)	(Greet me with the eyes of a child)	
Put your tiny hand in mine	My love is always (9) me so	
(I'd love to)	(Heaven is a kiss and a smile)	
I will be your preacher teacher	Just hold on, hold on	
(Be your daddy)	I won't let you go, my baby	
Anything you have in mind	I will be your father figure	
(It (3) make me)	Put your tiny hand in mine	
I will be your father figure	I will be your preacher teacher	
(Very happy)	Anything you have in mind	
I have had enough of crime	I will be your father figure	
(Please let me)	I have had enough of crime	
I will be the one who loves you	So I am gonna love you	
Till the end of time	Till the end of time	
That's all I wanted	I will be your father	
But sometimes love can be mistaken for a crime	I will be your preacher	
That's all I wanted, just to see my baby's blue eyes shine	I'll be (10) daddy	
This time I think that my lover understands me	I will be the one who loves you	
If we have faith in (4) other then we can be strong	Till the end of time	
I will be your father figure		
Put your tiny hand in mine		
I will be your (5) teacher		
Anything you have in mind		
I will be your father figure		
I have had enough of crime		
I will be the one who loves you
