

## Fill in the gaps

| (Yeah)  | 'Cause that's (9) you mean to me                  |
|---|---|
| You gave me (1) a bad time                      | I was (10) complicated                            |
| Tried to hurt me                                | I was feeling low                                 |
| But now I know                                  | Now every time I think of you                     |
| Thorn in my side                                | I shiver to the bone                              |
| You know that's all you ever were               | (Whoa, whoa, whoa, whoa) (whoa, whoa, whoa, whoa) |
| A bundle of lies                                | (Whoa, whoa, whoa)                                |
| You know that's all that it was worth           | To run away (11) you (so run, run, run, run)      |
| I should (2) known better                       | Was all that I could do (to run, run, run, run)   |
| But I trusted you at first                      | To run away from you (so run, run, run, run)      |
| I (3) have known better                         | To run, run, run                                  |
| But I got what I deserved                       | Run, run, run                                     |
| (Whoa, whoa, whoa, whoa, whoa, whoa, whoa)      | Run, run, run                                     |
| (Whoa, whoa, whoa, whoa)                        | Run, run, run                                     |
| To run away from you (so run, run, run, run)    | So run, run, run                                  |
| Was all that I (4) do (to run, run, run, run)   | Run, run, run                                     |
| To run away (5) you (so run, run, run, run)     | So run, run, run                                  |
| Was all that I could do (to run, run, run, run) | Run, run, run                                     |
| To run away from you (so run, run, run, run)    | So run, run, run                                  |
| Was all that I could do (to run, run, run, run) | To run away (12) you (to run, run, run, run)      |
| To run away (6) you (so run, run, run, run)     | Was all (13) I could do (so run, run, run, run)   |
| Was all (7) I could do                          | To run (14) (15) you (to run, run, run,           |
| Thorn in my side                                | run)  |
| You know that's all you'll ever be              | Was all that I could do (so run, run, run, run)   |
| So don't think you (8) better                   |   |
