Love The Way You Lie Part 2 by Rihanna

On the first page of our story	Satisfied
The future seemed so bright	Just gonna stand there and watch me burn
Then this thing turned out so evil	But that's all right because I like the way it hurts
I don't know why I'm still surprised	Just gonna (7) there and hear me cry
Even angels have	But that's all right because I love the way you lie
Their wicked schemes	I love the way you lie
And you take that	(Ohhh)
To new extremes	I love the way you lie
But you'll (1) be my hero	(Ohhh)
Even though you've lost (2) mind	So maybe I'm
Just gonna stand there and watch me burn	A masochist
But that's all right because I like the way it hurts	I try to run
Just gonna stand (3) and hear me cry	But I don't wanna ever leave
But that's all right because I love the way you lie	Till the walls
I love the way you lie	Are going up
(Ohhh)	In smoke with all
I love the way you lie	Our memories
Now there's (4) in our voices	Just gonna stand there and watch me burn
Glass is shattered from the fight	But (8) all right because I like the way it
In this tug of war	hurts
You'll always win	Just (9) stand there and hear me cry
Even when	But that's all right because I love the way you lie
I'm right	I (10) the way you lie
'Cause you feed me fables from your hand	I love the way you lie
With (5) (6) and empty	I love the way you lie
threats	
And it's sick that all these battles	

- 1. always
- 2. your
- 3. there
