Love The Way You Lie Part 2 by Rihanna

On the first page of our story	Satisfied
The future (1) so bright	Just gonna stand there and watch me burn
Then this thing turned out so evil	But that's all right (6) I (7) the
I don't (2) why I'm still surprised	way it hurts
Even angels have	Just gonna stand (8) and hear me cry
Their wicked schemes	But that's all right because I love the way you lie
And you take that	I love the way you lie
To new extremes	(Ohhh)
But you'll always be my hero	I love the way you lie
Even though you've lost your mind	(Ohhh)
Just gonna stand there and watch me burn	So maybe I'm
But that's all right because I like the way it hurts	A masochist
Just gonna stand there and hear me cry	I try to run
But that's all right (3) I love the way you lie	But I don't wanna ever leave
I love the way you lie	Till the walls
(Ohhh)	Are going up
I love the way you lie	In smoke with all
Now there's gravel in our voices	Our memories
Glass is shattered from the fight	Just gonna (9) there and watch me burn
In this tug of war	But that's all right because I like the way it hurts
You'll always win	Just gonna stand there and (10) me cry
Even when	But that's all right because I love the way you lie
I'm right	I love the way you lie
'Cause you feed me fables from (4) hand	I love the way you lie
With violent (5) and empty threats	I love the way you lie
And it's sick that all these battles
