

And no red lights

## Fill in the gaps

And no red lights	Down the (12) of (13) (oh oh
Down the ride of (1) (oh oh)	Tell me that you're ready
Tell me (2) you're ready	'Cause I don't wanna hit and run
Cause I don't (3) hit and run	The mood's (14) right
Excuse me	Make you come (15) (oh oh)
Can I lift you up and (4) you there?	Tell me that you're ready
set the mood right	'Cause I don't wanna hit and run
When I light it up, light it up	They see you drop the love
Had me from the (5) hit	Don't want no hit and run
Never felt (6) high before	Tell me that you're ready
(Oh oh oh oh)	'Cause I don't (16) hit and run
So why don't we take it back	They see you drop the love
To my place at Atlanta State	Don't want no hit and run
(Oh oh oh oh)	Tell me that you're ready
Don't wanna hit and run	'Cause I don't wanna hit and run
And no red lights	And I wanna lift you up
Down the ride of (7) (oh oh)	I wanna take you there
Tell me that you're ready	And I (17) (18) you up
Cause I don't wanna hit and run	I (19) take you there
The mood's just right	I don't wanna hit and run
Make you come alive (oh oh)	And no red lights
Tell me that you're ready	Down the ride of night (oh oh)
Cause I don't wanna hit and run	Tell me that you're ready
They see you (8) the love	'Cause I don't wanna hit and run
Don't want no hit and run	The mood's just right
Tell me (9) you're ready	Make you come (20) (oh oh)
Cause I don't (10) hit and run	Tell me (21) you're ready
We're twisted so tight	'Cause I don't wanna hit and run
Caught up in the sweat and skin	They see you drop the love
Hot in the moonlight	Don't want no hit and run
When I fire it up, fire it up	Tell me that you're ready
got the green light	'Cause I don't (22) hit and run
Failing for you finishline	They see you (23) the love
(Oh oh oh oh)	Don't (24) no hit and run
So why don't we take it back	Tell me that you're ready
To my (11) at Atlanta State	'Cause I don't wanna hit and run
(Oh oh oh oh)	
Don't wanna hit and run
