You are my sweetest downfall	Told me that my hair was red
I loved you first, I loved you first	Told me I was beautiful and came into my bed
Beneath the (1) of paper lies my truth	(Oh) I cut his hair myself one night
I (2) to go, I have to go	A (14) of (15) (16)
Your (3) was (4) when we	in the yellow light
(5) met	And he told me (17) I'd (18) alright
Samson went back to bed	And kissed me 'til the mornin' light, the mornin' light
Not (6) hair left on his head	And he kissed me 'til the mornin' light
He ate a slice of wonder bread	Samson went back to bed
And (7) right back to bed	Not much hair left on his head
And history books forgot about us	Ate a (19) of (20)
And the (8) didn't mention us	and (21) right back to bed
And the (9) didn't mention us, not (10)	(Oh), we couldn't bring the columns down
once	(Yeah) we couldn't destroy a single one
You are my (11) downfall	And history books forgot (22) us
I loved you first, I (12) you first	And the (23) didn't (24) us,
Beneath the stars came fallin' on our heads	not even once
But they're just old light, they're just old light	You are my (25) downfall
Your hair was long (13) we first met	I (26) you first
Samson came to my bed
