

Feels like I'm living in a lion's mouth

Fill in the gaps

Mysterious	But the lion is
That's what I (1) you	Peace and power, (7) forever
I'm curious about you	Who am I to stand before you?
I'm (2) and I'm not sure (3) you are	I am speechless
safe	But in my weakness
But your eyes seem to say that you are good	You are here and all is well
This is not a dream that I'm living	You took me (8) all (9) I knew
This is just a world of your own	Shown me how it feels to hope
You took me from all that I knew	With you with me, facing tomorrow together
Shown me how it feels to hope	I can learn to fly
With you (4) me, facing tomorrow together	Feels like I'm living in a lion's mouth
I can learn to fly	But the lion is (an angel)
Feels like I'm living in a lion's mouth	This is not a dream that I'm living
But the (5) is an angel	This is just a world of your own
Wise eyes, you see the core of me	You took me from all that I knew
Your gentleness melts me	Shown me how it feels to hope
And now I (6) that words cannot describe	With you with me, facing tomorrow together
The power that I feel when I'm with you	I can learn to fly
This is not a dream that I'm living	Feels like I'm (10) in a lion's mouth
This is just a world of your own	But the lion is an angel
You took me from all that I knew	Is an angel
Shown me how it feels to hope	
With you with me, facing tomorrow together	
I can learn to fly
