

Fill in the gaps

Yeah by Usher & Lil' Jon & Ludacris

(Peace up, a-town down)	Yeah, yeah, I got so caught up I forgot she told me
	Yeah, yeah, 'cause if my (9) knew it'd be best to
Up in the club with my homies	(10) me
Trying to get a little V-I	Yeah, yeah, next thing I knew
Keep it down on the low key	She was all up on me screaming
Cause you (1) how it feels	Yeah, yeah, yeah, yeah, yeah
I said shorty she was (2) up on me	Yeah, yeah, yeah, yeah, yeah
From the game she was spitting in my ear	(Luda) Watch out, my outfit's ridiculous
You'd think that she knew me (knew me)	In the club looking so conspicuous
We decided to chill	And (rowl) (11) women all on the prowl
Conversation got heavy	If you hold the (head) steady I'm a () the cow
She had me feeling like she's ready to blow	And (12) about the game I'm a (13)
(watch out, watch out)	the truth
She's saying come get me (come get me)	I won't stop till I get them in their birthday suits
So I got up and followed her to the floor	So give me the rhythm and it'll be off with (14)
She (3) baby let's go	clothes
When I told her I said	Then () over to the front and touch your toes
Yeah, yeah, shorty got down to come and get me	I left the jag and I took the roles
Yeah, yeah, I got so caught up I forgot she told me	If (15) ain't cutting then I put them on foot patrol
Yeah, yeah, 'cause if my girl knew it'd be best to (4)	How you (16) me now
me	When my pinky's valued over three hundred thousand
Yeah, yeah, next thing I knew	Let's drink you the one to please
She was all up on me screaming	Ludacris (17) cups like double d's
Yeah, yeah, yeahyeah, yeahyeah	Me and Usher once more and we leave them dead
Yeah, yeah, yeahyeah, yeahyeah	We want a lady in the street but a freak in the bed to say
She's all up in my head now	Yeah, yeah, (18) got down to come and get
Got me thinking that it might good idea to take her with me	me
Cause she's ready to leave	Yeah, yeah, I got so (19) up I forgot she told
Now I gotta keep it real now	me
cause on a one to ten she's a certified twenty	Yeah, yeah, 'cause if my girl knew it'd be best to
And (5) just ain't me (hey)	(20) me
Cause I do know if I take that chance	Yeah, yeah, next thing I knew
She's ready, gonna leave	She was all up on me screaming
But (6) I do know	Yeah, yeah, yeah, yeah, yeah
Is the way she dances, makes (7) alright with	Yeah, yeah, yeah, yeah, yeah
me	Take (21) and (22) it back
The way she's getting low	Lil' Jon got the rhythm make your booty go
I'm (8) yeah, just work that out for me	Take that and rewind it back
She asked for one more dance and I'm like yeah	Usher got the voice make your booty go
How the hell am I supposed to leave	Take (23) and (24) it back
And I said	Ludacris got the (25) make your booty go
Yeah, yeah, shorty got down to come and get me	Take that and rewind it back
	Lil' Jon got the rhythm make (26) (27)
