

## Fill in the gaps

I am an (1)	underneath the setting sun	Sometimes we (20)	over
In an ocean that is churning		And go solo	
For all I know there mi	ght be (2) nearby	No metaphors	
Still, the world, it (3)_	on turning	Are (21) f	rom
And (4) (5)	sun goes down	This time onwards	
It gets brighter in my (	6) somehow	In the	
I don't know why (7)_	is	(Sooooome)	
But it's (8) I want to know		(Oooooooh)	
Sometimes we (9)	over	(Aaaaaaah)	
And go solo		(Oooooooh)	
We're (10) for		And when the sun goes down	
That (11)	home	It gets brighter in my (22)	somehow
Beside the sea		I don't (23) wh	y this is
And for the future		But it's (24) I'd	like to know
(Oooooooh)		Sometimes we start over	
Since I (12) you I'm a gold (13)		And go solo	
that (14) high		We're looking for	
I won't sing through rainbows and showers		The ones we've hurt	
Taking lovers (15) might keep my tears at bay		Just to forgive us	
But the dam can (16) at any hour		In the future	
By candle-light you seem		Sometimes we (25)	over
To deepen in your mysteries		And just go solo	
Confusing forces move		No metaphors	
At the tides of these seas		Are needed from	
Sometimes we start over		This time onwards	
And go solo		In this song	
We're (17)	for		
The (18) we	e've hurt		
Just to (19)	us		
In the future
