

In the future

## Fill in the gaps

I am an island underneath the setting sun		Sometimes we start over
In an ocean that is churning		And go solo
For all I know there might be nobody nearby		No metaphors
Still, the world, it keeps on turning		Are needed from
And when (1) sun goes down		This time onwards
It (2) brighter in my heart somehow		In the
I don't know why this is		(Sooooome)
But it's what I want to know		(Oooooooh)
Sometimes we start over		(Aaaaaaah)
And go solo		(Ooooooh)
We're (3) for		And when the sun (8) dow
That (4) home		It gets brighter in my heart somehow
Beside the sea		I don't know why this is
And for the future		But it's what I'd (9) to know
(Oooooooh)		Sometimes we start over
Since I left you I'm a gold (5)	that	And go solo
(6) high		We're looking for
I won't sing through rainbows and showers		The ones we've hurt
Taking lovers just might keep my tears at bay		Just to forgive us
But the dam can break at any hour		In the future
By candle-light you seem		Sometimes we start over
To deepen in your mysteries		And just go solo
Confusing forces move		No metaphors
At the tides of (7) seas		Are needed from
Sometimes we start over		This time onwards
And go solo		In (10) song
We're looking for		
The ones we've hurt		
Just to forgive us
