

One, twenty-one guns,

Fill in the gaps

Do you (1) what's worth fighting	ng for,	Throw up your arms into the sky,
When it's not worth dying for?		You and I.
Does it take your breath away,		Did you try to live on your own,
And you (2) (3)	suffocating?	When you burned down the house and home?
Does the pain weigh out the pride?		Did you stand too close to the fire,
And you look for a place to hide?		Like a (6) looking for forgiveness,
Did someone break your (4)	inside?	From a stone?
You're in ruins.		When it's time to live and let die,
One, twenty-one guns,		And you can't get another try,
Lay down your arms, give up the fight.		Something inside this heart has died.
One, twenty-one guns,		You're in ruins.
Throw up your arms into the sky,		One, twenty-one guns,
You and I.		Lay down your arms, give up the fight.
When you're at the end of the road,		One, twenty-one guns,
And you lost all sense of control.		Throw up your (7) into the sky.
And your thoughts have taken their toll,		One, twenty-one guns,
When your mind breaks the (5)	of your soul.	Lay down your arms, give up the fight.
Your faith walks on broken glass,		One, twenty-one guns,
And the hangover doesn't pass.		Throw up (8) (9) into the sky
Nothing's ever built to last,		One, twenty-one guns,
You're in ruins.		Throw up your arms into the sky.
One, twenty-one guns,		You and I
Lay down your arms, give up the fight.
