(1) you when I need you, my heart's on fire	Better than anyone
You come to me, come to me, wild and wild	Anyone I've ever met
Now you come to me	I'm stuck on your heart
Give me everything I need	I hang on every (8) you say
Give me a lifetime of (2) and a world of	Tear us apart, no, no
dreams	Baby I would rather be dead
Speak a language of love like you know what it means	Each time you leave me I start losing control
And it can't be wrong	You're walking away with my heart and my soul
Take my (3) and make it strong, babe	I can feel you even when I'm alone
You're simply the best	Oh baby, don't let go
Better (4) all the rest	You're the best
Better than anyone	Better than all the rest
Anyone I've ever met	Better (9) anyone
I'm stuck on (5) heart	Anyone I've ever met
I hang on every word you say	I'm stuck on your heart
Tear us apart	I hang on every word you say
Baby I would rather be dead	No, tear us apart, no, no
In your heart I see the start of every night and every day	Baby I would rather be dead
In your eyes, I get lost, I get washed away	(Ooh) you're the best
Just as (6) as I'm here in your arms	
I could be in no (7) place	
You're simply the best	
Better than all the rest
