

## Fill in the gaps

| Every day i (1) up and it's Sunday                |
|---|
| Whatever's in my head won't go away               |
| The radio is playing all the usual                |
| What's a Wonderwall anyway?                       |
| Because my inside is outside                      |
| My (2) side's on the left side                    |
| Cause I'm writing to (3) you now but              |
| I might never reach you                           |
| Only want to teach you                            |
| About you   |
| But that's not you                                |
| It's good to know that you are home for Christmas |
| It's good to know that you are (4) well           |
| It's good to know that you all know I'm hurting   |
| It's good to know I'm feeling not so well         |
| Because my inside is outside                      |
| My right side's on the left side                  |
| Cause I'm writing to reach you now but            |
| I might never reach you                           |
| Only want to teach you                            |
| About you   |

| But that's not you                              |
|---|
| And you know it's true                          |
| But (5) won't do                                |
| Maybe (6) tomorrow will be Monday               |
| And whatever's in my (7) should go away         |
| But still the radio keeps playing all the usual |
| And what's a Wonderwall anyway?                 |
| Because my inside is outside                    |
| My right side's on the left side                |
| Cause I'm writing to reach you now but          |
| I might never (8) you                           |
| Only (9) to teach you                           |
| About you                                       |
| But that's not you                              |
| And you know it's true                          |
| But (10) won't do                               |
| And you know it's you                           |
| I'm talking to                                  |

## 1. wake

- 2. right
- 3. reach
- 4. doing
- 5. that
- 6. then
- 7. head
- 8. reach
- 9. want
- 10. that
