it's all about you	Don't know (6) 1d do
It's all (1) you, baby	So hold me close and say three words, like you (7)
It's all about you	to do
It's all about you	Dancing on the kitchen tiles,
Yesterday, you (2) me something I thought you	Yes you make my life worthwhile,
knew	So I told you with a smile
So I told you with a (3) "It's all about you"	It's all about you
Then you whispered in my ear and you (4) me to	It's all (8) you
Say "If you make my life worthwhile, it's all about you"	It's all about you, baby
And I (5) answer all you're wishes,	It's all about you
If you asked me to	It's all about you, baby
But if you deny me one of your kisses,	It's all about you
Don't know what I'd do	It's all about you, baby
So hold me close and say three words, like you used to do	It's all about you
Dancing on the kitchen tiles, it's all about you	It's all (9) you
(Yeah)	It's all about you
And I would answer all you're wishes, if you asked me to	
But if you deny me one of your kisses,
